To All Prospective Vendors:

On behalf of the Cable Air Show Committee, I extend an invitation for you to join us for our 41st Annual Air Show. Cable Airport, now celebrating 71 years, in conjunction with the Cable Airport Foundation and Experimental Aircraft Association Chapter 448, continue to sponsor the first air show of the year, which will be held Saturday and Sunday, January 9, & 10, 2016.

As you know we have limited space and if you plan on attending, it is important that you get your completed application, check, and insurance certificate naming: Cable Airport Foundation, Cable Air Show and Cable Airport Inc. as additional insured, to the committee as soon as possible.

We are required to make sure that you have your **San Bernardino County Resellers License**, **Business License from the city**, call this number 888-602-0239. If you are selling food items, you must also have a current **San Bernardino Health & Event Permit**, 800-442-2283 and if you have an open flame concession, you will need your **Fire permit**, by appointment, 909-931-4180. Note, both the Health Department and the Fire Department Inspector will inspect us. If not-for-profit, please include your **501(c)(3) Incorporation number**. Please provide copies of all highlighted information within 14 days of turning in application or we will send your check back. **Space reservation cannot be confirmed without a copy of all paperwork.**

There may be unforeseeable circumstances that happen at these events. Due to increased advertising we expect a very large crowd and great participation from pilots and car clubs. Should you like to participate in our sponsorship program, please go to www.cableairport.com/airfair/index.html, click the sponsorship link for more information and to obtain the application forms.

Please mail all correspondence to Michael Stewart, at 1749 W. 13th Street, Upland, CA. 91786 or Email to mstewart@cableairport.com or fax to 909-920-3608.

Thank you in advance for your support of this event. All proceeds are divided among the Cable Airport Foundation, Experimental Aircraft Association Chapter 448, San Gabriel Valley 99's, and Civil Air Patrol Squadron 25. These organizations then sponsor aviation oriented scholarships to those applicants selected to increase their aviation interests. Cable Air Show operates as a fundraising event under Cable Airport Foundation, a 501(c)(3) Corporation.

We thank you for your interest and look forward to hearing from you.

41st Annual - Cable Air Show
Air Show Vendors/Exhibitors
January 9 - 10, 2016
8:00 am to 4:00 pm

This memo is directed to potential vendors of the 41st Annual Cable Air Show. Co-Sponsors of this event are the Cable Airport Foundation, Experimental Aircraft Association Chapter 448 , San Gabriel Valley 99's and Civil Air Patrol Squadron 98 .

Classic and antique automobiles and military vehicles will be on display in addition to the traditional aircraft demonstrations, aerobatics, aircraft rides, and aircraft static displays.

Space reservation cannot be confirmed without payment in full, proof of insurance, city business license, health permit and open flame permit. Occupation of space requires ALL paperwork sent in prior to November 1, 2015 so that a vendor location number can be assigned.

Vendors may not WORK THE CROWD and MUST SELL FROM WITHIN THEIR ASSIGNED SPACE. ALL SUPPORT EQUIPMENT AND SUPPLIES MUST BE LOCATED WITHIN THE ASSIGNED SPACES.(ie. Work stations, BBQ's, tables, etc.) You will be charged for over run of the area. We will also need to know the direction that your trailer needs to face.

Vendors may not demonstrate items in the Air Show area, that whirl upon release, that are on sticks or strings, that glide or move through the air, is dispelled from a can, thrown on the ground, or that may cause an annoyance or danger to those in the Air Show area. Vendors may also be asked to not sell certain items that cause an annoyance or danger to those in the Air Show area, (i.e. silly string, stink bombs, streamers, etc).

Vendors will be asked to provide evidence of PUBLIC LIABILITY INSURANCE.

Vendors will provide SBE number, or 501(c)(3) Incorporation numbers on application

Balloons, if inflated, MUST NOT BE FILLED WITH LIGHTER THAN AIR GASES. (According to Public Utilities Code, Section 21646, it is illegal to release a balloon within five (5) miles of an airport in California).

In order to keep balance in the number of vendors and to give vendors a reasonable chance to make a profit, we may have to turn down some applications, or limit what items you may sell.

There will be limited reserved parking for the vendors. Unless your vehicle is your booth, it cannot be parked in the Air Show Area.

We are looking forward to fantastic weather, a great show and to seeing you here with us!

SPECIAL EVENTS FOR CABLE AIR SHOW 2016

This year we would like to expand on our community outreach at the air show. We are asking all non-profit groups to have a hands-on display or activity for the young people who attend. Some ideas are; aviation games, color sheets depicting aviation themes, hands-on tools, airplane parts, or instruments and how they work. Some game ideas are; “where on the chart is Amelia Earhart or Charles Lindbergh” and give a list of clues that can be read off a chart, A scavenger hunt for items normally found on an airport (ie tetrahedron, low wing airplane, high-wing airplane, compass rose, beacon, etc). How about making your own paper airplane using wallpaper. We are sure you can come up with your own great ideas.

Of course there has to be prizes. What better way to advertise your organization by having stickers, business cards, or flyers. You can attach stickers, candy or other small prize items to them.

Please let us know what you are planning to do by November 1, 2015 so we can make a list to publicize the event. The announcer will be mentioning these games & activities and where they can be found. This means free publicity for your organization.

Thank you for your support. We are looking ahead to a fun-filled weekend for our community with lots to see and do.
