To All Prospective Vendors:

On behalf of the Cable Air Show Committee, I extend an invitation for you to join us for our 34th Annual Air Show. Cable Airport, in conjunction with the Pomona Valley Pilots Association, Cable Experimental Aircraft Association Chapter 448 and Cable Airport Foundation has always sponsored the first air show of the year, which will be held Saturday and Sunday, January 10, & 11, 2009.

Enclosed you will find the application form and guidelines for this years event. As you know we have limited space and if you plan on attending it is important that you get your completed application and check to the committee as soon as possible.

We will have the same array of events as in the past and due to increased advertising we expect a very large crowd and great participation from pilots and car clubs.

We are required to make sure that you have your San Bernardino County Resellers License or Event Permit, or if not for profit, then your 501(c)(3) Incorporation number. If you are selling food items, you must also have a current San Bernardino Health Permit and Event Permit. Note, we have been checked the last couple of years. Please put the numbers on your application.

Please send all correspondence to Michael Stewart, 1749 West 13th Street, Upland Ca 91786. Email maniac@maniac-mikes.com, cell 909 921-2330.

Thank you in advance for your support of this event. All proceeds are divided among the PVPA, EAA448 and Cable Airport Foundation. These organizations then sponsor aviation oriented scholarships to those applicants selected to increase their aviation interests. Cable Air Show operates as a fund raising event under Cable Airport Foundation, a 501(c)(3) Corporation.

We thank you for your interest and look forward to hearing from you.

Cable Air Show Committee
Michael Stewart

34th Annual Cable Air Show
Trade Fair Vendors/Exhibitors
January 10 – 11, 2009
8:00 am to 4 pm

This memo is directed to potential vendors of the 34th Annual Cable Air Show. Co-Sponsors of this event are the Pomona Valley Pilots Association (PVPA) and the Cable Chapter 448 of the Experimental Aircraft Association (EAA448) and the Cable Airport Foundation.

Classic and antique automobiles and military vehicles will be on display in addition to the traditional aircraft demonstrations, aerobatics, aircraft rides, and aircraft static displays.

Applications have been sent out to all previous vendors therefore, it is important that you return your completed application as soon as possible, as we fill spaces on a first come first serve basis as we have limited space.

Vendors may not WORK THE CROWD and MUST SELL FROM WITHIN THEIR ASSIGNED SPACE. ALL SUPPORT EQUIPMENT AND SUPPLIES MUST BE LOCATED WITHIN THE ASSIGNED SPACES.(ie. Work stations, BBQ's, tables, etc.) You may be charged for over run of the area.

Vendors may not demonstrate items in the Trade Fair area, that whirl upon release, that are on sticks or strings, that glide or move through the air, is dispelled from a can, thrown on the ground, or that may cause an annoyance or danger to those in the Trade Fair area. Vendors may also be asked to not sell certain items that cause an annoyance or danger to those in the Trade Fair area, (i.e. silly string, stink bombs, streamers, etc).

Vendors will be asked to provide evidence of PUBLIC LIABILITY INSURANCE.

Vendors will provide SBE number, or 501(c)(3) Incorporation numbers on application

Balloons, if inflated, MUST NOT BE FILLED WITH LIGHTER THAN AIR GASES. (According to Public Utilities Code, Section 21646, it is illegal to release a balloon within five (5) miles of an airport in California).

In order to keep balance in the number of vendors and to give vendors a reasonable chance to make a profit, we may have to turn down some applications.

There will be limited reserved parking for the vendors. Unless your vehicle is your booth, it cannot be parked in the Trade Fair Area.

We are looking forward to fantastic weather, a great show and for seeing you here with us!
