

# FLY ME A RIVER

*Simply Fly!*

## LEGEND AMPHIBCUB FACTS:

Water flying for sport and recreation doesn't get any better than in a Legend AmphibCub. It's the only Cub with an array of landing options, convenience choices, and Sport Pilot features.

### The Legend AmphibCub:

- Wider Cabin, Left- or Right-hand Egress
- Open Cockpit Flying
- Baumann Floats, FAA TSO C-27 Approved
- Garmin Avionics - GPSMAP 496, SL40, GTX 327
- Available Now, Ready-to-fly.
