

LET IT SNOW, LET IT SNOW

Simply Fly!

LEGEND SKICUB FACTS:

Wintertime flying for sport and recreation doesn't get any better than in a Legend SkiCub. It's the only Cub with an array of landing options, convenience choices, and Sport Pilot features.

The Legend SkiCub:

- Wider Cabin, Doors on Left and Right, Full-width Rear Seat, Electric Start
- Trick Air Snow Skis, PMA Approved
- Garmin Avionics - GPSMAP 496, SL40, GTX 327
- Available Now, Ready-to-fly
